Last Saturday was the time Scott, Sweet and Pascapam were arraigned before magistrate Bishop, on the charge of murdering Geo. Coggan. J. H. Turner appeared as prosecutor on the part of the State, while Maj. Throckmorton appeared on the part of the More as we look at the case the more we are satisfied that justice should be done; nor do we ap Number one articles they do keep. pear as a special pleader to clear the Indians if sufficient evidence is Do sell them at small profit adduced to show their guilt. The principal witnesses were Walsac and Pilcoe, Indians, and Fred Foster, of Meacham Station, who was with Cog- Every thing you buy will fit; gan and Bunker at the time of the gan and Bunker at the time of the killing. Foster gave a very graphic secount of the whole affair; the attack, the race for life, the death of Corgan.

I takes of all varieties, the race for life, the death of Coggan, the unearthly yell of the savages as they closed around Coggan, the hiding of Bunker in a ditch, and his race into town to save himself and obtain help to go after Bunker. You could notice Sam will always be on hand. by the crowd surging forward while Foster was speaking that the sympa-thy was with him, and if any bit their lips and swore vengeance, it was no more Ever bearing in our minds, than could have been expected. All Live and let live, is our metto, seemed to demand that justice should be meted out to the murderers. The Maj. Throckmorton, both consenting that the court discharge Stock and Chest no one is our theme, Sweet, who were, it was evident, according to the testimony, were guiltless of the charge. Pascajam was held to answer at the

next term of the Circuit Court on the And now as Postry is not our fort, charge of murder. Pilcoui was held as a witness. It is but proper to state Patrons, look upon it tender in this connection that all the above E very one is invited to the store of not acknowledge the right of the general Sam May & Senders!!! government or any of its agents to is without a rhyme. dictate to them in any manner. There can be but little doubt new that all the warriors of these Columbia's were with the Snakes during their raid through our county, and it is more than probable that to convince the Snakes of their sincerity, that they did mearly all the killing and robbing that was done in the county of Umatilla .-East Oregonian.

#### (From the Oregonian) THE BAILBOAD MONOPOLY.

Rates have recently been doubled by the Union and Central Pacific monopoly. The managers are emboldened to this by their success in defeating the Northern Pacific extension bill. Put Mr. Mitchell's labored speeches against the bill to make the great monopoly pay interest on its bonds, with his action toward the Northern Pacific and the recent advances on overland freights together, and see if it doesn't all fit in together as one thorough and consistent scheme. On the increased rates of freight the United States Economist (New York), of August 3d, has these Monnusents, Tombs Head-stones, Mantles

To give some idea of this advance ait affects domestic ary goods: A case of petition will average 2,700 yards, and at the lowest rates.

All kinds of conservy work does in markle, to long and granite. All work does in markle, to long and granite. All work does in markle, to long 450 pounds. At 12 cents per pound (the abvance tariff) it will cost long 455.

CLARK & HALTER. to land \$54, or 2 cents a yard. The price paid in this market for the calicoes will average 5 cents per yard. The new freight charges add about 33 per cent, to the cost of the goods. A case of bleached cottons containing HAIGHT & HILL, 2,000 yards, will weigh 400 pounds the cost added to these goods per yard will be 2½ cents. On a bale of brown cottons it will average 24 cents per yard. It is safe to estimate the en-The rate charged by the Pacific Mail line of steamers is \$5 per hunder Mail abin. line of steamers is \$5 per hundred, but it is said they also will advance their Will SUPPLY THE BEST MEATS AT A Witnesses the spectacle of two lines of railway, built largely by government aid levying an enormous and unjust tax upon the commerce of the land and placing a high duty upon the articles of merchandise that enter into the daily consumption of the people. No wonder un indignant protest is uttered by the business public. The merchants of this city will not be slow in condemning this high handed outrage. From all eur boards of coads and chembers of commerce there should come very setoo danouncing this railway monop-

Although gentle in their operation, they are still the most thorough and most thorong eather-searching cather-annloyed; cleans tic medicine that can be employed; cleans-ing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and

Aven's Pills have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so composed that obstructions within their range can rarely with-stand or evade them. Not only do they cure the every-day complaints of every-body, but also formidable and dangerous diseases that have bailed the best of human skill. While they produce powerful effects, they are, at the same time, the safest and bost playsic for children. By their aperient action they gripe much less than the comments of the comments than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing from the elements of weakness.

nor any deleterious drug, these Pills may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity. PREPARED BY
